

Hawks Club Sponsorship 2023-2024

All proceeds will benefit the Birdville Baseball program for the 2023-2024 season. Currently our program will be using these funds to help improve our fields, equipment to help develop our players and help provide scholarships to further our players education after high school.

Between the Varsity, Junior Varsity, and Freshman Baseball teams, there are an estimated 12,000 patrons throughout the 2023-2024 season to view your potential sponsorship.
